Dear Kevin

TIMBER EXTRACTION 2002

Please find enclosed a receipt for payment of timber/firewood extracted from this year's forestry contract.

I would like to thank you for the way you and your team approached the felling and extraction that led to a very smoothly run project. It made the follow up part of the operation much easier and as a result, we will finish one week ahead of schedule.

We will contact you in early April 2003 to discuss possibilities of further work in the same area.

With thanks

Robin Crowther
