Kevin I am just dropping you a line to let you know that I am delighted with the way your tree removal team, Paul, Simon and Jack worked here yesterday. They were well organised, worked hard together and left the garden clean and tidy. When Rory came in from work he too was impressed and praised them. I will certainly recommend you to anyone in the future. I did mention to the 'boys' that we will be in touch in the Autumn regarding the remaining trees. Paul left his black T shirt here - I will return it.

Again, many thanks for a job well done.
