Evening Kevin, Lynn, Paul etc.....

I was looking for a 'review or comments tab' on your website, couldn't see, so just thought we'd send a email.

"Paul & the two guys have exceeded any expectations we could have imagined. The work was completed to an excellent standard, the garden feels so open & incredibly bright. The clearing up process was exceptional. You have a very happy customer!"

Please relay the message to the guys.

The only negative comment to say was that they finished too quick so Darius couldn't be entertained when he came home from school!!

We'll be in touch regarding the neighbours bushes as & when they hopefully agree!?

Regards,
