Dear Lynn and Kevin

Just a quick note. Paul and the team had left when I returned from dropping Dennis off (he is playing golf in France!) so I did not get chance to thank the team personally.

Given the issues of access to clear debris etc, I am very impressed with the hard work undertaken to complete the job in a single day. The job was completed exactly as I had hoped and the site was left in an immaculate condition. Please pass on my thanks.

I would be happy to be used as a reference.

Regards
